

## Etihad Towers, Abu Dhabi

With five stunning towers that sparkle iridescently in the never-ending sunshine – Etihad Towers is a reflection of everything that Abu Dhabi is and will be... modern, sophisticated and luxurious.

After several years of planning and design, 2006 was a special year for His Highness Sheikh Suroor Bin Mohammed Al Nahyan and his Projects Department, for this was when construction work got underway. His Highness can be proud of succeeding in creating a very inspirational, prestigious and desirable landmark in the UAE. The scope, magnitude and uniqueness is breathtaking.

The Australian architects DBI Design have created a sculptural feat that is a true landmark of the City. Changing the Abu Dhabi skyline forever the towers offer the most amazing vantage points - with sweeping panoramic views over the vibrant city and Arabian Sea.

Set in the most desirable and exclusive beachside Al Ras Al Akhdar district of Abu Dhabi and located near the world-renowned Corniche, Etihad Towers is designed, inside and out, to give guests who live, work, shop, dine and stay the most memorable and enriching of experiences. Every detail has been hand-picked and crafted to perfection– from materials, details and finishes, through to spatial planning, lighting and ambience. Every aspect has been considered so that comfort, luxury, convenience and enjoyment permeate through your every experience.
