

Living at Etihad Towers

Start living like you have only ever dreamed possible... Etihad Towers is the epitome of world-class luxury living in exquisite and tasteful surroundings.

Situated in Abu Dhabi's most exclusive district of Ras Al Akhdar, your apartment is set in beautifully landscaped gardens with azure pools, and take another turn and find yourself a moment away from the golden sandy beach, just a step or two from the Corniche, and near the largest shopping mall in Abu Dhabi. This is the beauty of living at Etihad Towers.

Penthouses and apartments from 1 to 5 bedrooms and a selection of 884 contemporary and affordable residential living spaces for you to choose from. Each residential tower has a dedicated gymnasium, sauna, landscaped gardens and decked pool area.

The three residential towers are part of a signature development that will leave you wanting for nothing. There is an extensive choice of stylish bars, cafés and restaurants offering international cuisine, two levels of the most desirable boutique shops, health club and spa, and round-the-clock concierge service. This is just a glimpse into living at Etihad Towers.

Once you step into your apartment you will be immersed in a tranquil and secure environment that has been fully equipped with fixtures and fittings that have been designed and implemented by master-craftsmen to the highest standards.

Start living at Etihad Towers, along the glorious waterfront of Abu Dhabi that is an Arabian paradise in a contemporary setting.
